Work Experience:

- Statistical Data Analyst at *Patient Funding Alternatives* *June 2025 – Present*
 - Work with patient and operational data to present insights to stakeholders. Design visually pleasing reports and dashboards to tell simple but powerful stories with data. Write R, Python scripts to create ad-hoc reports, data visualizations, etc.
 - Design, build, and manage large Power BI semantic models to present a consistent analytical product to end-users.
 - Use Power Query and DAX to enhance models and connect data from many sources such as SQL databases, ticketing APIs, and flat files.
 - Write SQL queries to extract and validate IT and operational data.
 - Use Zendesk to field incoming tickets and Jira to manage ongoing projects.
- Data Cleaner at *Patient Funding Alternatives* *July 2024 – May 2025*
 - Prepared existing databases for import into new billing system. Focused on cleaning and validating data both before and after import.
 - Utilized R scripts and Excel VBA macros to clean and validate data.
- Customer Experience Data Analyst Intern at *Fresenius Medical Care* *May 2023 – July 2024*
 - Performed statistical analysis as the R programmer for the Office of Experience.
 - Focused on exporting, cleaning, and analyzing customer experience and demographic data to help improve patient, employee, and physician experience.
 - Utilized R, Excel, PowerPoint, and Qualtrics to leverage survey data and produce actionable insights for business partners.
- Mathematics Peer Tutor at *Emmanuel College* *August 2022 – December 2022*
 - Tutored students in an official capacity through Emmanuel College's Academic Resource Center (ARC), providing both in-person and virtual office hours and meeting times. Tutored Calculus.

Skills:

- **Languages:** R, Python, SQL, Power Query M Code, DAX, SAS, LaTeX Typesetting.
- **Software:** PowerBI, Jira, Zendesk, Microsoft Office, PGAdmin, MySQL Workbench.
- **Academic:** Mathematics/Statistics, Data Analytics, Data Visualization, Research, Peer Tutoring.
- **Technical:** Project Management, Report Writing, Presentation Building, Organization.

Education:

Emmanuel College, Boston, MA

Graduation: May 2024

Bachelor of Arts Degree

Major: Mathematics with Concentration in Statistics

Minor: Data Analytics

GPA: 4.0/4.0

Certifications:

- SAS Certified Associate: Programming Fundamentals Using SAS 9.4 2024
